# EAST CENTRAL IOWA PULLERS ASSOCIATION

## Welcome to the 2006 Tractor Pulling Season!

This is our 11th year as a pulling organization. Over this time period we have tried to make improvements to meet the needs and expectations of our fans and promoters. We will continue with this commitment into the future.

We thank the promoters who work very hard with us to put on a quality show.

We thank the advertisers who donated money to make this program a reality. Please patronize these advertisers whenever possible.

The entire East Central Iowa Pullers Association would like to thank all the fans for supporting our shows. We hope that you enjoy them and that you will continue to attend them in the future.

Thank You,

Rick Evans  
ECIPA President
