

2024 ECIPA Rule Changes

These rule changes were discussed and voted on by the ECIPA Board of Directors at the annual meeting held on November 11, 2023.

2024 Class Rule Changes:

11,000/12,000lb 2 Hot 2 Farm:

- If driver exceeds 18 mph during the length of their pull:
 - Tractor will receive 15 points for DQ
 - \$150 fine for first offense.
 - \$150 fine for second offense.
 - Ban from competition for 375 days for third offense.
 - The purpose of this rule is to prevent a competitor from showboating or “building a road” for other competitors.

13,000lb Farm Stock:

- If driver exceeds 12 mph during the length of their pull:
 - Tractor will receive 15 points for DQ
 - \$150 fine for first offense.
 - \$150 fine for second offense.
 - Ban from competition for 375 days for third offense.
 - The purpose of this rule is to prevent a competitor from showboating or “building a road” for other competitors.

6,200lb Super Modified 2wd Trucks:

- There will be no changes to the 2024 rules
- Rear diameter shall not exceed 143-inch circumference when mounted on an 18-inch rim and inflated to 28 PSI. The ground patch is not to exceed 19 inches based on the original tread. (*Outlaw Rules*)

6,250/6,500lb Light Limited Super Stock:

- 30% of the scheduled 2024 season points hooks will weigh 6,500lb for both alcohol and diesel tractors.
 - The pulls will be chosen by ECIPA Tech Officials at random.
- Rear tires must have no more than 48 lugs or bars maximum.

8,500lb 466 Limited Pro Stock:

- Rear tires must have no more than 48 lugs or bars maximum.

9,500lb 4.1 Limited Pro Stock:

- No lug limit on rear tires.
- Weight Limits:
 - 4.1 Limited Pro Stocks will weigh 9,500lbs
 - Light Pro Stocks will weight 8,500lbs
 - Component Light Pro Stocks will weigh 8,300lbs.

9,300lb Super Farm:

- There will be no changes to the 2024 Rules for the 2024 Season
- Will revisit the 3.6 smoothbore turbo charger rule for the 2025 season at the 2024 ECIPA Rules Meeting.

9,000lb Pro Farm:

- Must follow 2024 PPL Rules.
- 9,500lbs
- 3500 RPM limit
- Will pull with the 9,500lb Hot Farm tractors

2024 ECIPA General Rule Changes:

- ECIPA Points will increase to 60 points for 1st place finish instead of 50 points.
 - All other points rules stay in place
- Exhaust Cross bolts:
 - 2- ½ inch grade 8 cross bolts are required for all turbocharged vehicles. These must be welded in place. No exceptions!
 - Can use the Wimer cross in place of the 2 - ½" bolts.
- Turbo blankets are required on all open speed classes equipped with a turbocharger except for the 7,700lb 360 Hot Stock tractors.
- 2nd hitch must be covered with metal plate
- All pullers MUST sign up 1 hour prior to advertised start time of pull.
 - If you sign up late you will automatically be the third hook.
 - Late sign up will result in loss of 5 points and a \$25 late fee at sign up.
- No membership t-shirts for 2024- putting money into points fund.
